What contribution do you envision ILASFAA making to the profession?

I envision ILASFAA continuing to serve as a training and networking hub for the members of the financial aid profession.

How would you support financial aid professionals as we move into the future for ILASFAA?

If elected by our membership, I would be honored to serve as a representative of public institutions. I would welcome questions or comments from membership and would do my best to represent their views and requests at ILASFAA meetings. As we move into the future, it's important to continue to grow our membership, promote leadership development and encourage involvement from all members. In support of this, I will work with Membership and ILASFAA committee chairs to advocate for these key areas within the public sector.

You are the Future of ILASFAA!

THANK YOU FOR YOUR PARTICIPATION IN OUR ILASFAA ELECTIONS!
