What contribution do you envision ILASFAA making to the financial aid profession?

I envision ILASFAA providing professional development, resources, and networking opportunities for financial aid professionals in Illinois. All while also being an advocate for students and post-secondary institutions on a state and national level.

How would you support financial aid professionals as we move into the future for ILASFAA?

As we move into the future for ILASFAA I would support financial aid professionals through efforts to increase membership, membership engagement, professional development opportunities, and promote increased diversity and inclusion efforts.
