What contribution do you envision ILASFAA making to the profession?

ILASFAA provides a wealth of knowledge for financial aid professionals and most importantly the networking opportunities are invaluable. During the pandemic, I feel like a lot of of lost touch, but I am excited to get back to some since of normalcy and connect with my colleagues in financial aid.

How would you support financial aid professionals as we move into the future for ILASFAA? I will do my very best to keep us connected and try to provide information that is relevant to our sector. I am happy to be a resource for anyone who may have questions or that just needs a colleague to talk over a particular topic. I have been in financial aid for 20 years and I feel it is my duty to pay it forward.

You are the Future of ILASFAA!
THANK YOU FOR YOUR PARTICIPATION IN OUR ILASFAA ELECTIONS!
